At the end of the street, take the far left entrance that goes up behind the Local Police Station (Fuerza Pública)

This is the Road you should take

Take the Road to the right

When you get to the school, take the far right road going up

6. Get to the highest part and look to the right

There is an entrance between two homes, this is where you should go

Take it slowly, this road is narrow and has some steep parts

8. Last Crossroad: Take a right going up,
you made it!

9. At the top of the last hill to the right there are parking spaces for you. The Lookout is right below.
